Welcome

"I'd like to welcome to you all to the Woodley Town FC newsletter and thank Joy, Gemma and Julie for producing it for the benefit of all the players, their parents and club members.

This newsletter is seen as an addition to the communication that exists via team managers. Also via John Mailer and Martin Brailli who are Men's and Kestrel section secretaries and the club's website at www.woodleytownfc.co.uk

Despite an extensive history that spans over 100 years these are exciting times for the club. Football is provided from the school entrance age of pre under 7 through to u16's. There are also two girl's teams at under 12 and three men's teams in the Reading Football League playing on a Saturday afternoon. Not only are we seeking to provide a club that Woodley can be proud of on the pitch, we are seeking to expand our off field activities and awareness. As already seen at our stall at this year's Woodley Carnival that contained a display of photos and team shirts. We are also supporting managers and coaches through various FA coaching courses.

The club is not just about the players but is about everyone associated, including those that help it run smoothly. This includes, parents and the many companies that support the club and to whom I must say a big thank you. The supporting companies' details are on the web site of who they are and I ask you support them with your trade in return."

*Have a good season and I hope you enjoy this newsletter.
Mark Rozzier, Chairman*

The Kestrels show Wycombe how it's done!

Last Tuesday Woodley Town Kestrels Under 8's Boys and Under 12's Girls were invited to Wycombe Wanderers football club to watch their match against Shrewsbury. During the half time break, both Kestrels teams took part in a charity penalty shoot out.

The crowd were clearly impressed by the shooting and goal keeping skills at such a young age. The teams thoroughly enjoyed the event and were delighted to be presented with certificates for taking part and entertaining the crowd.

Heard it on MOTD? Hear how it applies to all involved with WTFC

RESPECT is about making football a positive and enjoyable experience for everyone. Too often bad behaviour on the pitch and on the sidelines means people do not enjoy their game and this is a particular problem for young players and referees.

As parents we need to remember to let the players play the game the way they want without unnecessary pressure from the side. Praise players when they do well, encourage them if they make a mistake and show by example that as long as they try their best winning isn't everything.

In future editions of the newsletter we'll highlight particular ways in which we can make sure everyone enjoys games as much as possible. For more details check out the [codes of conduct](#) on the club website and see the FA's website.

New season – new kit?

Did you know that as a member of the Woodley Town Football club you are entitled to 10% off at A W Sports and Tackle at the Woodley precinct. Why not make the most of this discount and look great on the pitch this season! www.awsports.co.uk
