Men's Teams Eye Silverware

Congratulations to both 1st and A teams on reaching the semi finals of the BTC Senior and Junior Cup respectively. The 1st team achieved a 3 - 0 win over defending Senior Division Champions Westwood Utd with Carl Davies (2) (pictured far left) and Jim Nightingale scoring and Jon Pitt, Mario Ferrario and Ben Haworth recorded the same score line to defeat AFC Corinthians Res.

The 1st Team will face either Cookham or Woodcote in the Semi final and the "A" Team face Berensfield Res in the Semi's date still to be confirmed.

The 1st team are in a fine vein of form and have won seven on the spin, which sees them top the Reading Senior League at the midway point in the season. The biggest scalp was the 3-0 win against the previously unbeaten Hellenic side Binfeld in the Reading Challenge Cup 2nd round.

With the Reserve team in the Intermediate Cup quarter finals and winning four in the last five in league and cup, confidence is very high in all teams.

Under 9's find form

Kestrels Providing Football in the Community!

Rivermead Primary School has had the benefit of some after school coaching by Youth Development Coach Craig Sumner.

Kestrels under 8's player Zach Wellstead, along with fellow school mates in years 3 to 6 have been developing their football skills after school. This has been very well received by the school in partnership with Woodley Town Council and is something that other schools may wish to consider looking into for the coming year.

Craig said he was very pleased with the response from the kids, some are not regular players in teams, but this has given them the opportunity to try a new sport. Craig would be keen to take his coaching experience to other schools next year if they are interested.

Stuart Cannon and his U12's Navy would like to give thanks to their very generous sponsors; Heath and Wiltshire, Paul Couper of Couper Mechanical Plumbing and Heating Services, Mark Robertson from Corsair Services and The Good Companions pub, who have supplied them with all their kit and best of all food every week after their matches.

Referee rule updates

Please remember that referees can ask players to remove any jewellery (neck chains, rings, bracelets, piercings) they consider dangerous and also that some referees may consider glasses to be dangerous. If asked by the referee you **MUST** remove items, if you need glasses to play then you must talk to your manager to check they are safe and will be allowed to be worn.
