Woodley Town FC is holding a race night on **Saturday 28th Feb** at Redingensians Rugby Club Bar. This is an opportunity for ALL Kestrels and Town players, friends and family to get together.

With the club looking to progress and develop over the coming seasons supporting fund raising events will become increasingly important so why not get a party together and attend?

Tickets cost £2 each available from Andy Abraham, Cyril Fairchild, Mark Rozzier or John Mailer.

Code of Conduct

The Club is working towards obtaining Charter Standard status with The FA. A requirement of this is for club's to operate Codes of Conduct that cover the activities of players, managers, coaches, club officials, parents and spectators.

These codes also support The FA's Respect Campaign that is seeking to promote a more enjoyable environment for all involved in football.

Will all involved in the club to take a few minutes to read these codes and agree to them as they are designed to enhance the reputation of the Club. As part of the agreement Team Managers will be asking parents during February to show this support by signing up to them. http://www.woodleytownfc.co.uk/about_woodley_town.php

Fundraising with FoneAid

Woodley Town Football Club is taking part in the FoneAid mobile phone recycling campaign.

By donating your old mobile phones of any age and Condition, FoneAid will give us £3 per phone, plus an extra £100 of vouchers for every 100 phones we collect.

This is a great initiative to raise much needed funds for the club that can go towards new training equipment, kits, etc

I am sure we all have old mobile phones kicking around in draws, boxes, cupboards etc so why not collect them and bring them in for the club. Please hand all mobiles to your managers.

Charter Standard Scheme

This is best practice guide that sets standards of coaching, administration and child protection for all clubs outside the Football League and Premier League. As a benchmark for quality, it will improve the playing experience for all. The club has been working hard over the past few months and is close to submitting its application for a Charter Standard Development Club. Benefits of the award include greater access to funding and recognition as a well run club. The latter is important as we seek to work closer with local councils to develop the club further.

Kit and equipment

If you need new kit or have any enquiries regarding equipment then please contact our new supplier Stuart Cannon his email is stuartcannon@heathandwiltshire.co.uk. For any orders for socks and jackets these must be accompanied with money "up front" or the order will not be taken.

Watch out for the penalty shoot out

The younger Kestrels age groups are looking to hold sponsored penalty shoot out later on in the season to raise funds. More details will be available in the coming weeks.
