### **Congratulations to the Bows on winning the BYDL Girls U13 Division.**

The Kestrels Bows girls had to play their last two games back to back needing only a point to take the title again. Whiteknights held them to a nil - nil draw with Emily Lauri once again giving a fine display in goal making her player of the match. Emily has only let two goals go past her this season; she has a great rapport with the back two; Tianee Buckley and Annie Carminki. With the title won could go out and have fun against Tilehurst Panthers, which they won 2 -0 with Nicole Barrett getting player of the match for scoring both the goals.

### **Manager urgently required for the current Under 9's squad from September 2010**

Russ and Pete are unable to take the Under 9's squad into the 2010-11 season at Under 10's level. We are therefore looking for a new manager to keep this age group going, without a manager the team will fold.

If anyone is interested in taking on this age group, the club will support helping you gain your FA coaching badge. Please contact Russ or Pete for further information, or come along to training and or a match and see the team play.

### **Woodley Town Kestrels U8 Stars completed their season**

In their final game of the season, the U8 Stars had hat tricks from Josh Diedrick and Conor Elmore plus goals from Jon Mew and Josh Barrett to thank against Burghfield Reds. This was the team's fourteenth win out of a total of eighteen played. It's been a great season for Barry Walles' team who have been complimented by other managers throughout the season for their excellent passing game.

The team has had an excellent season with 87 goals being scored in 16 games played, resulting in a goal difference of +60! The guys have continued to make excellent progress with everyone showing significant improvement. In addition, congratulations to Alex who will be signing for Reading FC and training with the clubs Academy.

### New FA Respect campaign targets abusive grassroots players & parents

It aims to help further reduce levels of anti-social behaviour both on and off the pitch. The hard hitting 'Are you Losing it?' campaign encourages disaffected teammates and spectators to put a mirror up to those most in need of a wake up call for their bad behaviour. ### Cup success

The U18s were dominant in their semi final, winning 6 – 0 against California Royals to book a date with Maidenhead Cavaliers in the final. George Martin and Vinnie Nash put the team two up in the opening quarter hour with George completing his hat trick with two second half strikes. Jordan Sawyer and Ben Coyle completed the scoring, also with second half goals.

The U13s Whites semi final was a much tighter affair with the all important solitary goal being scored by Jack Wickens in the thirty fourth minute against Ascot Utd to represent the club in the East Berks Youth League Cup finals. The team face Whitegrove Eales in the final.
