

Shout out

- A big thanks for all who have been coming to show their support to all of the teams. Let's try to keep attendance high even though winter is on its way! Average attendance at 1st team home matches is 58 – can we improve on this?

Do you know anyone else who is worthy of a mention – let us know!

Kids Corner...your shout!

Want to write your own match report?

Want to mention a great player, who deserves a shout out?

Want to have your say about something important to you and your team?

Want to say a big thank you or well done to someone?

This is your corner to make it your own, send birthday wishes, to a player, your coach, anyone you want to give a mention to that you think deserves it!

Have your say!

Profile: Martin Brailli - Youth Secretary

I've been the secretary of the youth section for (I think) four seasons now having answered a call for volunteers to help out. My youngest son plays for the U13 colts. My job seems to consist mainly of filling in forms and chasing managers. With so many teams, the process of making sure they are all entered in the right leagues and cups every year can get quite complex. We have teams in three different leagues, lots of cups and they all have different rules, which we need to comply with. During the season there are always issues arising with the running of the club that need sorting out, from signing on new players, to disciplinary matters. I also am responsible for making sure managers are aware of what is happening and that they pass that on to the players and parents.

U10's Show improvement

Nick Edwards' U10 Whites have shown promising signs of finding their best form recently in Division 1. With two early defeats in a row, his side has now lost one in four games and starting to turn in some good performances. The highlight so far this season has been a wonder goal from new signing Matty that earned a victory over Woodley Saints Lions. This week the Whites play Wokingham & Emmbrook at Reading Hockey Club 11.30 am kick off.

U13 Girls Football Thrives

With three teams now competing in the Berkshire Youth Development League, it is a strong and growing area for the club. The Bows currently sit joint top of the division with only one defeat in 6, the Belles lie third, two points behind and the new 'Girls' team lie seventh with two wins.

Respect

With the start of the season for Kestrels this weekend, a new Respect video called "Elders & Betters" has been launched starring Ray Winstone together with a video regarding "Respect Mum".

- To see Elders & Betters and a link to more details on The FA's site [click here](#).

To see Soccer Mum [click here](#).

Codes of conduct for parents and spectators

Under the FA rules, Woodley Town FC is responsible for your behavior on the touchline. Therefore, all parents and spectators are reminded that they are to stay off the pitch during and after the matches.

1st Team update

Luke Williams has enjoyed a breathtaking start to his Woodley Town career. Since joining the side he has netted in three out of five league matches and has been man-of-the-match in two of these games. The little winger has offered attacking flair to the side and looks set to be a valuable addition to the side.

Paul Wilder has rolled back the years and is producing his best form in the club's debut Hellenic season. Wilder has over 100 goals for the club and has hit another hot streak bagging three in five league outings. These two players have been instrumental in the 1st team's run of one defeat in eight games in all competitions.

Craig's soccer school moved to Saturday

Craig's Sunday soccer school is now on Saturday mornings from 9.30 - 10.30 am at the Memorial Ground, by Coronation Hall for U6s. 1st teamer Adam Jeffrey and Elliott Whitehouse take the sessions. It's good to see a number of ex - players bring their children to the sessions.

Soccer school classes go back to school

Woodley Town FC / Woodley Town Council / Bulmershe School Sports Association are conducting after school soccer classes in eight local schools for years 5 and 6. These started w/c 14 Sept and will run to the end of 2009 with approx 200 youngsters taking part.

It is intended in the new year to hold an inter school tournament between the eight schools with the teams selected from those who have attended the classes. Club members involved are Craig Sumner, Mark Rozzier, Adam Jeffrey and Chris Waring.

Volunteers wanted

To help:

- Serve tea and coffee at 1st Team home matches
- Sell match programmes at 1st Team home matches
- Organise fundraisers
- Sponsorship and marketing
- Organising events e.g. the children's Christmas party
